EXPERIENCE

Community Manager

- I've been a community manager for several small businesses for a couple of years now and have acquired enough knowledge on all social media platforms.

Website Designer

- I'm an experience UI/Ux designer with software such as WordPress and Figma. To design eye catching and user friendly websites for small businesses.

Graphic Designer / Logo Designer

- I am an experience graphic designer and logo or brand designer with knowledge of the softwares such as illustrator, canva to create top notch design to convey information to the public.

Content Creator

- I'm a content creator on platforms such as TikTok, YouTube and more. But I focus mainly on TikTok and still studying my YouTube algorithm. I do Ai generated contents.
